## What tools and materials do you need?

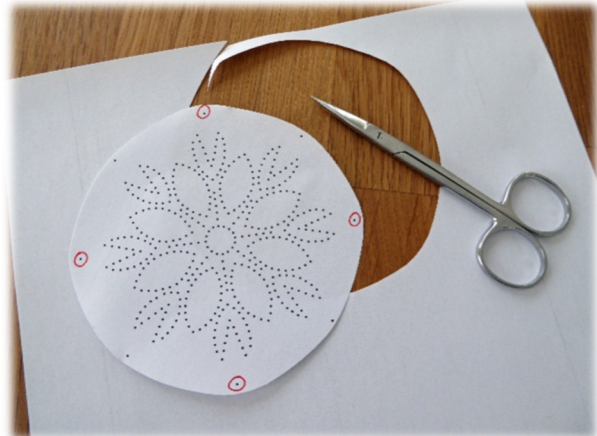

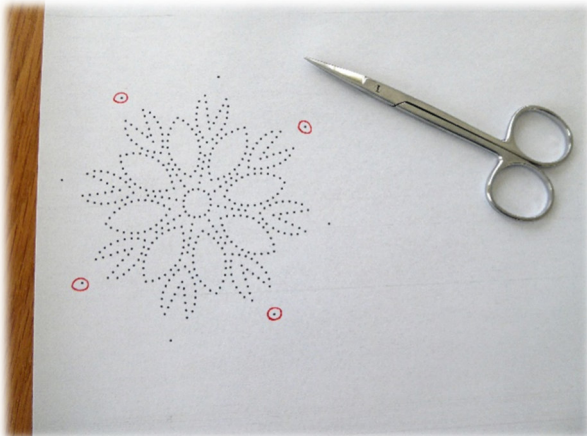

- 1 base of Styrodur (hard foam) approx. 30 cm x 30 cm and at least 3 cm thick.
- 1 very fine prickle tool,  $\varnothing$  0,7 mm (also available in my shop)
- 4 glass head needle, 30 x 0,60 mm
- 1 fine sewing needle, 32 x  $\varnothing$  0,5 mm
- 1 scissors
- Polyester yarn no. 40 in the colours: pink, violet, lavender, green multicolour and yellow
- Metallic yarn No. 40 in the colour: gold
- white cardboard 300 g/m<sup>2</sup>, size min. 13,5 x 13,5 cm

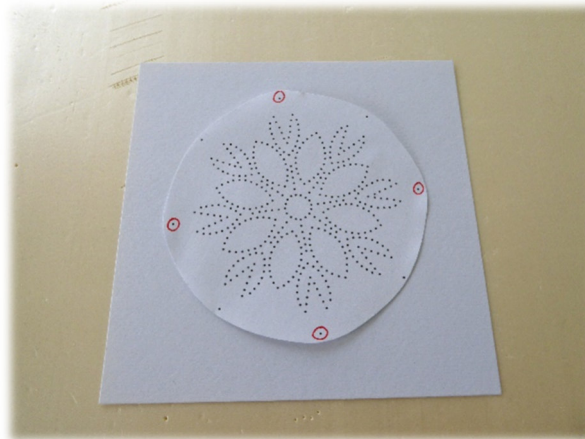

## Instruction

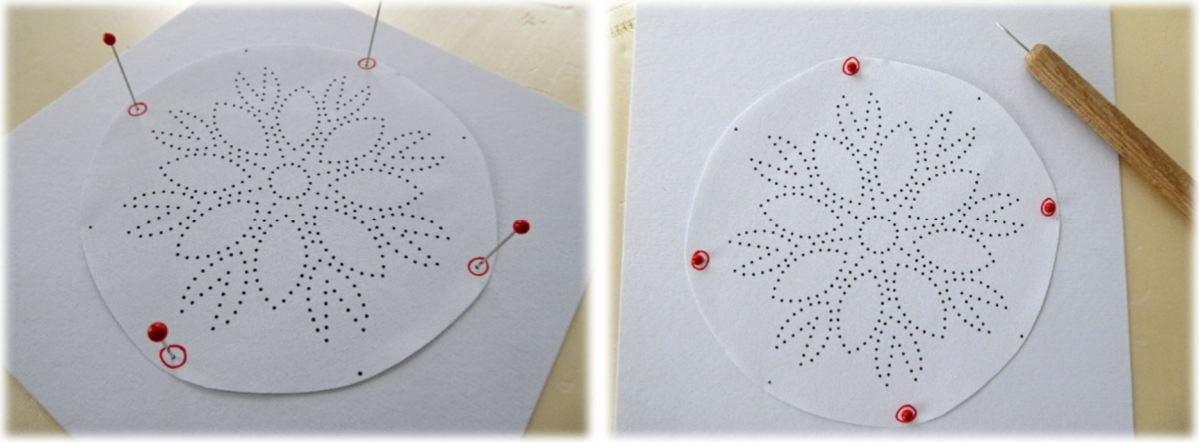

Print out the present hole pattern.

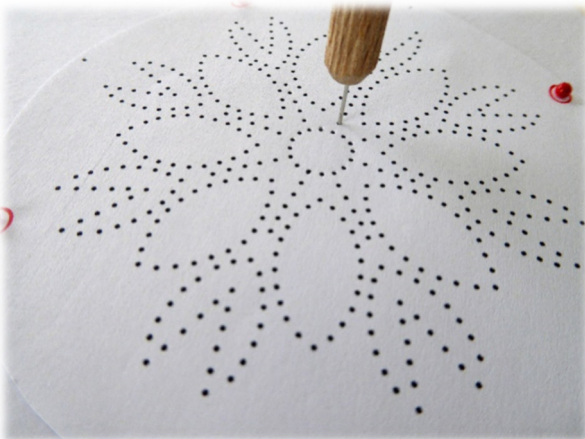

Cut out the hole pattern.

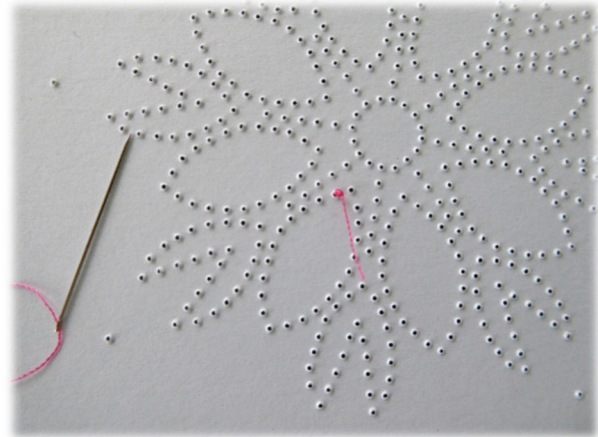

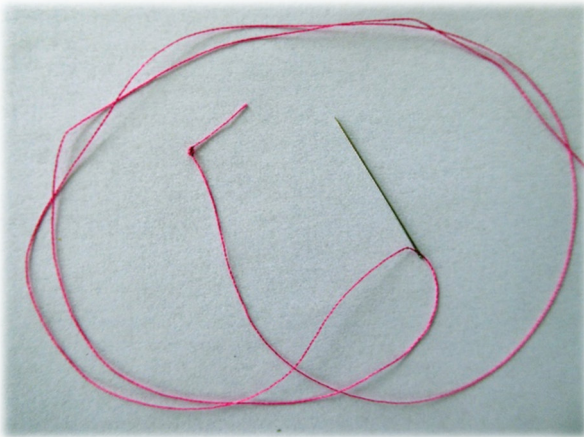

Place the hole pattern centrally over the photo cardboard on the hard foam plate.

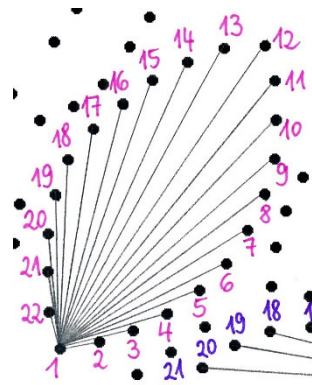

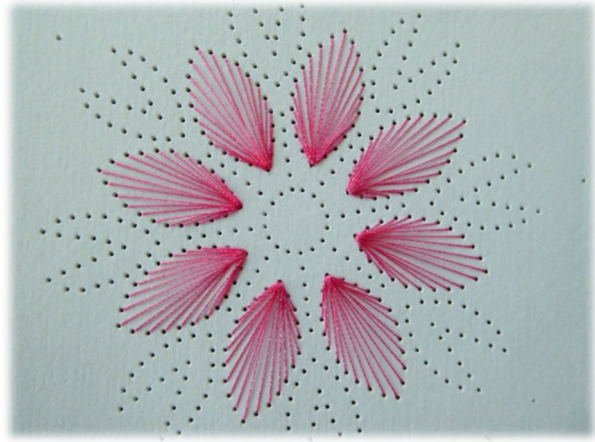

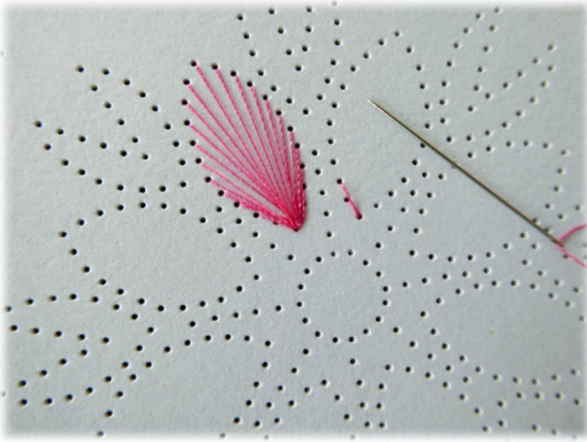

Fix the hole pattern with the glass headpins in the black dots.

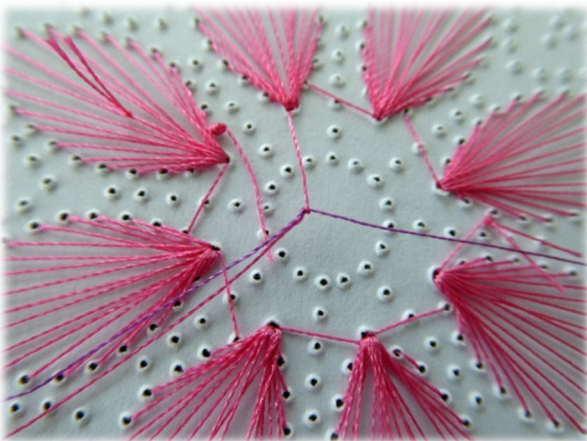

Transfer the holes with a fine fine prickle tool needle.

Then pull the thread with needle and thread (in the pattern „pink“).  
The starting node must always be on the back!

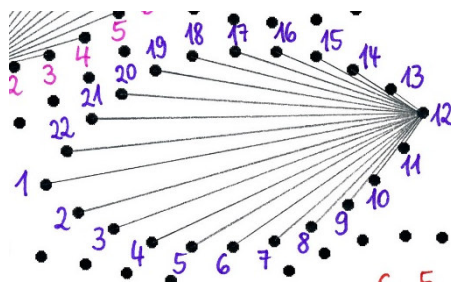

Start with the **petals Level I** in the color of your choice (in the pattern „pink ")  
 Hole **22** out → hole **1** in → **21** out → **1** in → **20** out → **1** in → **19** out → **1** in → **18** out → **1** in → **17** out → **1** in → **16** out → **1** in → **15** out → **1** in → **14** out → **1** in → **13** out → **1** in → **12** out → **1** in → **11** out → **1** in → **10** out → **1** in → **9** out → **1** in → **8** out → **1** in → **7** out → **1** in → **6** out → **1** in → **5** out → **1** in → **4** out → **1** in → **3** out → **1** in → **2** out → **1** in → Repeat the **petals Level I** another **7** times.

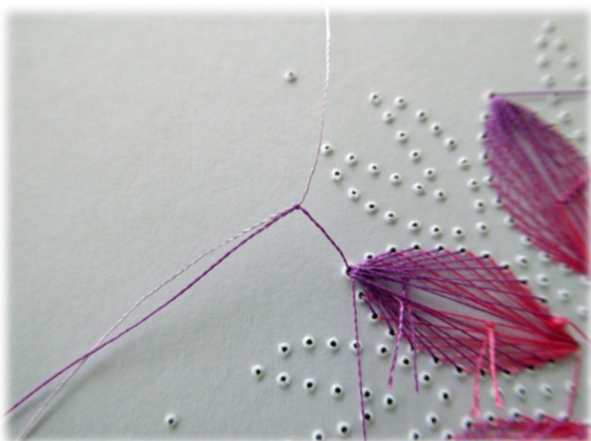

Knot the new thread (in the pattern **violet**) for the **petals level II**!

**Please do not use tape to attach the threads!**

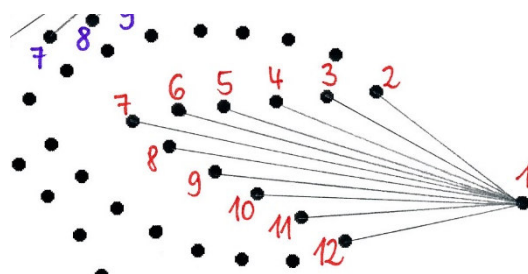

**This dries out over time and separates from the cardboard. The tension of the threads is lost or the whole graphic becomes unsightly.**

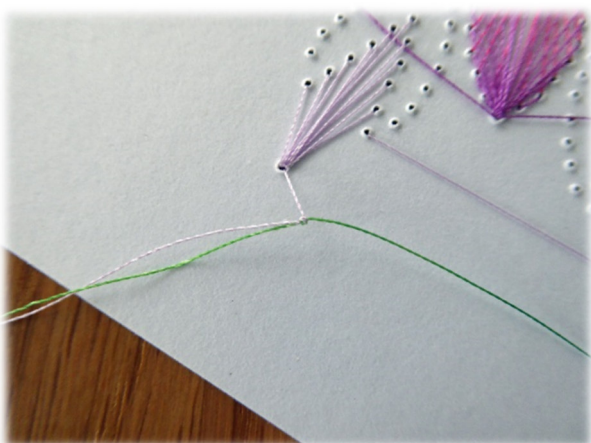

Continue with the **petals Level II** in a colour of your choice: (in the sample in the colours “**violet**”)  
 Hole **11** out → hole **12** in → **10** out → **12** in → **9** out → **12** in → **8** out → **12** in → **7** out → **12** in → **6** out → **12** in → **5** out → **12** in → **4** out → **12** in → **3** out → **12** in → **2** out → **12** in → **1** out → **12** in → **22** out → **12** in → **21** out → **12** in → **20** out → **12** in → **19** out → **12** in → **18** out → **12** in → **17** out → **12** in → **16** out → **12** in → **15** out → **12** in → **14** out → **12** in → **13** out → **12** in → Repeat the **petals Level II** another **7** times.

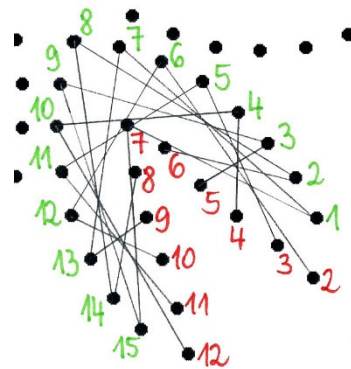

Knot the new thread (in the pattern **lavender**) for the **bloom I!**

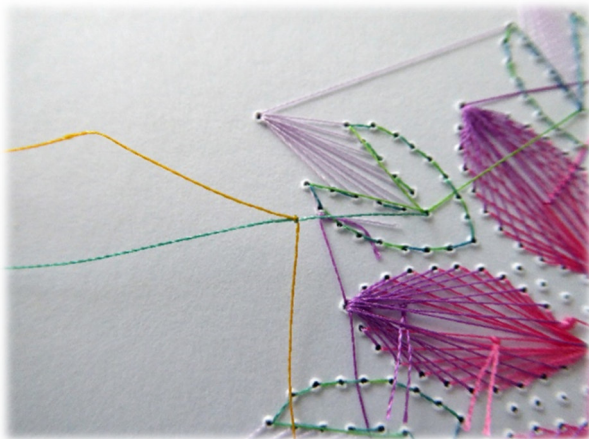

Continue with the **bloom I** in a colour of your choice: (in the sample in the colours “lavender”)  
 Hole **12** out → hole **1** in → **11** out → **1** in → **10** out → **1** in → **9** out → **1** in → **8** out → **1** in → **7** out → **1** in → **6** out → **1** in → **5** out → **1** in → **4** out → **1** in → **3** out → **1** in → **2** out → **1** in →  
 Repeat the **bloom I** another **7** times.

Knot the new thread (in the pattern **green multicolor**) for the **bloom II**!

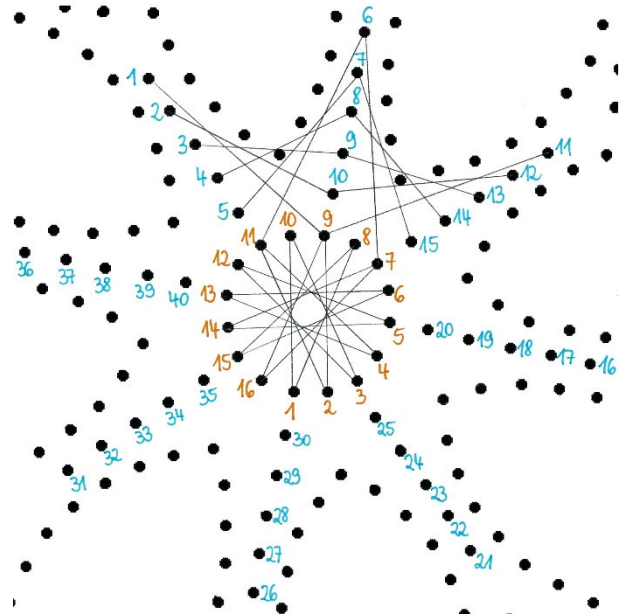

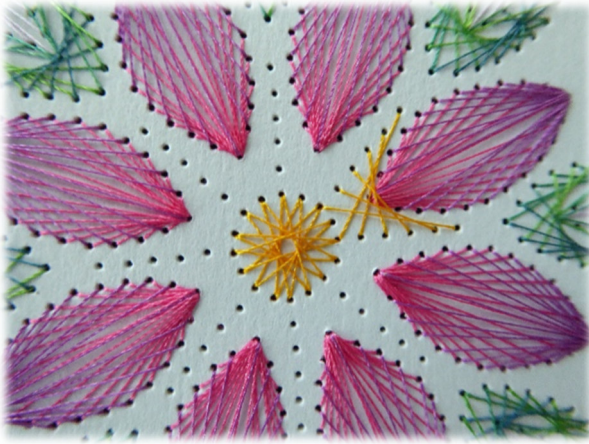

Continue with the **bloom II** in a colour of your choice: (in the sample in the colours “**green multicolor**”)  
 Hole **7** out → hole **1** in → **2** out → **6** in → **5** out → **3** in → **4** out → **4** in → **3** out → **5** in → **6** out → **2** in →  
**1** out → **7** in → **8** out → **2** in → **3** out → **9** in → **10** out → **4** in → **5** out → **11** in → **12** out → **6** in → **7** out →  
**13** in → **14** out → **8** in → **9** out → **15** in → **12** out → **10** in → **11** out → **11** in → **10** out → **12** in → **13** out →  
**9** in → **8** out → **14** in → **15** out → **7** in →  
 Hole **2** out → hole **7** in → **12** out → **7** in → Repeat the **bloom II** another **7** times.

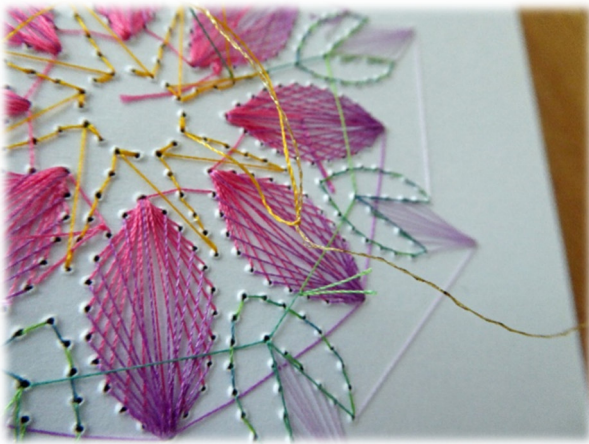

Knot the new thread (in the pattern **yellow**) for the **bloom centre Level I**!

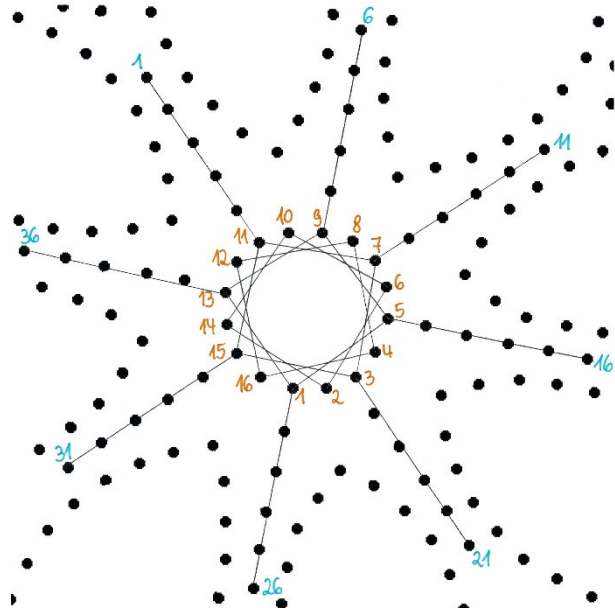

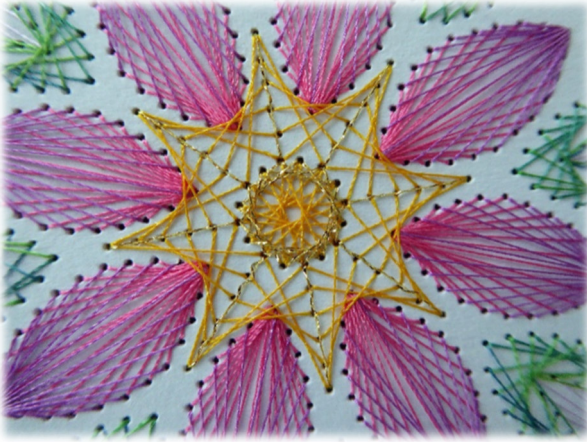

Continue with the **bloom centre level I** in a colour of your choice: (in the sample in the colours “yellow”)  
 Hole **1** out → hole **8** in → **9** out → **2** in → **3** out → **10** in → **11** out → **4** in → **5** out → **12** in → **13** out → **6** in → **7** out → **14** in → **15** out → **8** in → **9** out → **16** in → **1** out → **10** in → **11** out → **2** in → **3** out → **12** in → **13** out → **4** in → **5** out → **14** in → **15** out → **6** in → **7** out → **16** in →  
 Hole **1** out → hole **9** in → **10** out → **2** in → **3** out → **9** in → **8** out → **4** in → **5** out → **7** in → **6** out → **11** in →  
 Hole **6** out → hole **7** in → **15** out → **7** in → **8** out → **14** in → **13** out → **9** in → **10** out → **12** in → **11** out → **9** in → Repeat the **bloom centre level I** another **6** times.

Knot the new thread (in the pattern metallic yarn **gold**) for the **bloom centre Level II**!

Continue with the **bloom centre level II** in a colour of your choice: (in the sample in the colours metallic yarn "gold")

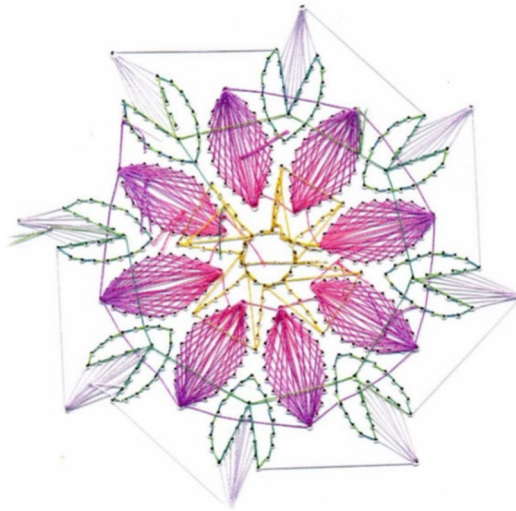

Hole **1** out → hole **5** in → **6** out → **2** in → **3** out → **7** in → **8** out → **4** in → **5** out → **9** in → **10** out → **6** in → **7** out → **11** in → **12** out → **8** in → **9** out → **13** in → **14** out → **10** in → **11** out → **15** in → **16** out → **12** in → **13** out → **1** in → **2** out → **14** in → **15** out → **3** in → **4** out → **16** in →

Hole **1** out → hole **26** in → **21** out → **3** in → **5** out → **16** in → **11** out → **7** in → **9** out → **6** in → **1** out → **11** in → **13** out → **36** in → **31** out → **15** in. →

Finished! Sew up the thread.

front view

rear view

**Congratulations!!!**

You have finished your first small flowermandala as a thread graphic.  
With Rocailles pearls or Stass stones, you can also embellish the mandala.  
For special people or occasions, a homemade thread graphic is a must.  
As a gift card or small framed picture into a wonderful gift.
